

## Mikayla Mendels

Mikayla graduated from the State University of New York at Fredonia in December 2016 with a degree in Business Administration with a concentration in Music Industry and a minor in Communication. With a background in classical music and experience now working at concert venues, managing bands, event coordination within the music industry, and internship experiences with companies such as Atlantic Records, HAIL! Fredonia Records, and K-Mase Productions, she made the bold move from New York to Charlotte, North Carolina.

Having no plan but all the determination, Mikayla was hired as an intern at Key Signature just three months after her move to Charlotte. Soon after, she was hired full time to pursue a career that involved her love of the music industry and allowed her to learn and grow with the company.
