

Tius Ragan-Johnson

Tius graduated with a Bachelor of Arts degree in Music from UNC-Chapel Hill in 2018, where he studied classical guitar and performed in the Guitar Ensemble and Men's Glee Club. Since then, he has begun his journey toward building a career as a full-time working musician, taking every available opportunity to work in a musical environment. Tius has served as a stagehand for venues across the city of Charlotte, volunteered for Tosco Music's quarterly Music Party, and engaged with musical mentors to help further develop his skill set as a performer.

By early July of 2018, he was hired as the intern at Key Signature Entertainment and quickly became a jack-of-all-trades for the company. After proving himself as an asset to Key Signature's event team, he was hired as the Executive Assistant. Tius has continued to utilize his Swiss Army Knife mentality to further Key Signature's marketing and growth plans.
