

# About Aerial View

Aerial View is a good time rock, blues and dance boogie band based in Charlotte, NC, and has been performing at clubs, outdoor festivals, corporate parties, country clubs and private events across the Carolinas since 2004. We are a versatile, fun-loving band that takes pride in our ability to play to a crowd.

The band's versatility stems from the diversified musical backgrounds and experience of its members, with collective performing experience totaling more than 50 years (shew, that's a lot of gigs!). Our 150+ song playlist hits the spot with virtually all audiences, a performance typically featuring a handful of whatever is hot on the charts, as well as plenty of handpicked classics from the likes of Tom Petty and John Mellencamp to The Beatles and The Rolling Stones, to name but a few.

Of course, we also offer snappy versions of all your good time dance floor favorites, like "Brown Eyed Girl," "Play That Funky Music," or "Blister In The Sun!" We've got you covered with the kind of upbeat favorites that will keep the dance floor packed and the refreshments flowing, and we'll work with you in advance to ensure we play just the right mix of tunes for your particular crowd! Our list of tunes is constantly changing, and we make sure to maintain lots of variety.

For private functions, we encourage you to work with us in advance to develop the best possible playlist for your event. This includes your overall preferred types of music, down to "mood changes" throughout the course of the event, for example an upbeat reception followed by more mellow dinner music followed by dance floor favorites. Our goal each night is to play the perfect set for your function, to please you and your guests. Need us to emcee, provide recorded dance music at intermissions, learn special tunes? No problem, just ask!

Finally, Aerial View spares no expense on sound quality. We use state of the art PA Gear from QSC, Allen & Heath, dbx, BBE, JBL and Shure. Guitars by Fender, Gibson, Paul Reed Smith, Martin. Amplification by Fender, Goodsell, Kingsley, SWR, Two Rock. Drums by Pork Pie.
