

Thomas Anthony Bio

Hey, what's up ladies and gents! First and foremost, thank you so much for visiting my page.

Just to share a little bit about myself:

I was born in Birmingham, AL, and moved to Charlotte for high school and college. I began singing at the age of 8 in the church, and began playing piano at the age of 17. From there, I truly realized my love of music and branched off to other instruments such as the drums, guitar, bass, key tar, saxophone, and many more. I started performing professionally at weddings and venues in 2014 and haven't stopped since.

As far as music influences go, there are too many to count. To name a few, I would say John Legend, Musiq SoulChild, Stevie Wonder, Stevie Ray Vaughan, Hall & Oates, Brian McKnight, and, most of all, my mother, Angela Robinson. Music is absolutely my passion, so it's really hard for me to name one genre that I specialize in. I have been known to perform songs from various artists such as Bruno Mars, The Temptations, Garth Brooks, Tears For Fears, Pearl Jam, The Beatles, Brian McKnight, Boyz II Men, Journey, Prince, and various others.

My slogan, "Entertainment Reimagined," derives from the fact that no two of my shows are ever the same. I'm more than capable of providing background music, or performing for wedding ceremonies and corporate events, but I am also equipped to perform at venues, backyard parties, and various other occasions. I can perform as a solo musician and I also have a vast array of other musicians who I can bring upon request!

Needless to say, I really enjoy what I do and I think you will too! I look forward to making your next event one that won't soon be forgotten!
