

Jarrett Raymond Bio

Jarrett Raymond is an American singer-songwriter, musician, and recording artist. He is best known for his solo career, with the single "Unwritten" released on March 31, 2020.

Raymond's performance highlights include earning opening slots for national country acts Tyler Farr and Dillon Carmichael, and On The Border - the Ultimate Eagles Tribute, as seen on AXS TV's *The World's Greatest Tribute Bands*.

Raymond has performed many festivals across North Carolina, including Fayetteville Dogwood Festival (2021 and 2022), North Carolina State Fair (2022), CueGrass Festival Raleigh (2022), and the Azalea Festival (2019-2021).

Stylistically, Raymond's style touches on country, folk, blues, jazz, and alternative. As a soloist, he enhances the performance with a full band sound all on his own. Listeners get the effect of a full drum kit, bass, rhythm and lead guitar as performed solely by Raymond.
