

Resonance is a lo-fi jazz band pioneering a unique and discernible sound. They perform classic jazz standards and original lo-fi tunes blended with a touch of hip-hop, R&B and funk. The lead instrumentalist is William Rose, aka King Whale, saxophonist and vocalist. David Gibson is the drummer, guitarist and vocalist. Will Bose plays keyboard and Paul Castanet plays bass. Resonance primarily performs near Charlotte and the Carolinas. Their music is perfect for easy listening, and we know you'll end up, resonating, with their style!
