

Mark and Samantha Cantrell

Bio

We're a husband-and-wife acoustic duo from Clover, South Carolina, blending folk, Americana, and bluegrass into a sound that's warm, honest, and unmistakably our own. With guitar, banjo, and harmony-rich vocals, we play songs that tell stories, spark memories, and remind people why they love live music. Our shows mix heartfelt covers from artists like John Prine, Bob Dylan, Tony Rice, Guy Clark, and the Grateful Dead — a blend of familiar favorites and hidden gems.
